

# Snowman Smiles

## Materials Needed

- Acrylic Paint: white, black, rust and pink
- Small paint brush & stencil brush
- 12" of 1/4" ribbon per ball
- White Christmas Balls, matte or shiny

1. Dip the round end of paint brush into black paint. Touch end to ball to make eye. Repeat for second eye.
4. Dip the stencil brush into pink paint. Dab brush on paper towel to remove excess paint.

2. Dip the round end of paint brush into black paint. Touch end to ball to make mouth. Repeat 6 times.
5. Dab the stencil brush onto ball several times to create a cheek. Repeat for other side.

3. Using the brush end of the paint brush, paint nose with rust colored paint.
6. Dip brush into white paint and lightly highlight eyes. Tie 1/4" ribbon into bow at top of ornament.
